WELCOME LETTER

District of Columbia & Area Alumni Association

Dear Livingstone College Supporters:

Call them events, call them affairs; we, the members of the DC area Livingstone College Alumni Association, call them simply spectacular! The *Annual Scholarship Spring Gala* - an overdue acknowledgment of support and recognition of alumni members who have shown their commitment to our alma mater throughout the years and the 2005, 2006 and now 2007 Annual Golf Tournament, is a tribute, a time of reflection and relaxation for those who continue to support our future leaders. There will be even more spectacular events for support and fellowship to come. See you soon!

We are overwhelmed and grateful for your support and presence here tonight as we raise scholarship funds for students at Livingstone College. Our tireless group of *Servant-Leaders* has been innovative in their plans to introduce this concept. This is only the beginning.

On behalf of the area alumni members, I welcome and challenge you to continue your support to Livingstone and the work of educating tomorrow's leaders. In our future efforts to make a difference in scholarship dollars at Livingstone, your continued and vigorous support is paramount.

Please see our website at www.lcwashmetro.org for event schedules and updates. Please feel free to contact us at info@lcwashmetro.org or (240) 609-8443.

Rosa M. Jeter
DC Alumni Chapter President
